

Making AP transformation your reality.

INSIGHTS Issue 9 Vol. 2

How Transforming AP eases your Compliance Burden

Dragging your feet on accounts payable transformation not only makes your financial operations less efficient, it makes your Sarbanes-Oxley compliance process more burdensome. Here's why...

3 Ways Digital Transformation is reshaping the C-suite

The impact of transforming accounts payable with digital technologies such as robotic process automation, artificial intelligence and machine learning goes well beyond the back-office. Digital technologies are reshaping the C-suite.

Eighty-two percent of CFOs surveyed by Robert Half say that they are collaborating more closely with their company's CIO as a result of deploying digital technologies.
